EXPLOSION PERILS LIVES OF RICHMOND LAWYER'S PARENTS

BOMB BLOWS UP IN HOME OF PEACEFUL COUPLE HERE

What appears to have been an ingenious attempt to destroy the lives of two people and wreck their home occurred in Richmond last night when a bomb or irnfernal machine exploded in the open fireplace of Mr. and Mrs. C. E. Pierce at 621 Seventeenth street.

Parents of W. S. Pierce

The Pierces are parents of Wilbur S. Pierce, well-known criminal lawyer, Elk and Shriner, of Richmond.

The explosion made a terrific noise and attracted the attention of neighbors, who rushed to the scene and aided in clearing up the debris with which the premises were littered.

Woman Has Close Call

Fire wood was hurled in all directions, and Mrs. Virginia Pierce, who was seated peacefully in front of the fireplace, narrowly missed being struck by a large fragment, which was hurled past her face.

Mrs. Pierce was alone in the house at the time, Mr. Pierce having left the house a few moments before to visit his son, W. S. Pierce, at Tenth and Ripley.

He hurried back to the house, accompanied by his son, and by Chief of Police Wood and other members of the police department.

Device Described

An investigation disclosed that some person or persons had taken three bits of timber measuring two by four and about eighteen inches long, and had nailed them together in such manner as to conceal a little metal chamber or improvised cartridge measuring abou t four inches by an inch and a half. Into this receptable high powered explosives had been placed.

Yesterday morning when Mr. Pierce was cleaning up his back yard, he saw lying on the ground what appeared to be an innocent bit of wood. He picked it up and carried it into his house, and when a fire was started late yesterday evening, the object was used for kindling.

It proved to be the infernal machine which nearly cost the life of Mrs. Pierce.

Couple Lead Quiet Life

Mr. and Mrs. Pierce only came to Richmond a little more than a year ago from their former home in Yolo. They lead a quiet, simple and unobtrusive life, antagonizing nobody, and causing no friction among their neighbors. They are at a loss to understand why destruction of their lives and home should have been attempted.

A high board fence surrounds the rear of the Pierce residence. There is no entrance from a vacant lot adjoining into the rear yard.

A piece of string attached to the timbers indicated that the device was dropped over the fence and permitted to lie where it would be taken up and put to the very purposes for which the Pierces used it.

Wilbur S. Pierce refused to believe that there was any one in the community who would do harm or

PROMOTER FOR CALIF. CAR CO. LEFT MANY BAD CHECKS BEHIND

MARTINEZ, April 20.—J. C. Anderson, debonair promoter for the California Car Company, who with his affable manner worked himself into the hearts of many Martinez business men to the extent that he was able to secure goods and money on his checks, one of which has been returned from the bank marked "N. S. F." and which was the cause of a warrant being issued by Justice of the Peace Frank L. Glass for his arrest, still eludes the authorities and has not been taken into custody.

The sheriff's office has, through its many sources of information, been tracing the activities of Anderson for the past several days only to learn that he has just moved on to some other, perhaps better, field of operation.

Information in the possession of the sheriff's office is to the effect that since leaving Martinez he has not stopped issuing checks, as several are alleged to have been cashed at various places in the Mission district in San Francisco and have been returned with the notation, "no funds." The checks which he is alleged to have been passing in San Francisco range in amounts from three to ten dollars and have been cashed mostly in candy stores and ice cream parlors.

The authorities are confident that he will be taken into custody within a short time as the trail of checks is leading the officers close on his trail.

Anderson was well known in Martinez, where he spent several weeks promoting the sale of stock for the California Car Company, which concern was presumed to be going to establish their factory in Martinez.

Richmond Woman Charges Cruelty

Suit was filed in the Superior court yesterday by Mary Walazak of Richmond for divorce from John Walazak on the grounds of extreme cruelty. The couple were married in December, 1914, and separated in April, 1922. There are two minor children, of which the plaintiff seeks custody. She also asks for $75 per month alimony and $150 attorneys fees.

The wife charges her husband with calling her vile names and with telling her that she was no good and that he could have done better than marrying her.

Jekyll and Hyde Sermon Subject

Next Sunday evening at the Wesley M. E. church the Rev. Paul Little will deliver a sermon-lecture on "Dr. Jekyll and Mr. Hyde," which is one of the most astute descriptions of "deceit" and "hypocrasy" in modern life, written by the versatile pen of Robert Louis Stevenson. The tragic story will be related by Dr. Little and lovers of literature will do well to hear him.

SANTA FE ENGINE HITS CAR

Yesterday afternoon a Santa Fe switch engine struck car No. 273 of the S. F. & O. T. Railway, knocking it 15 feet off the track. Fortunately, the car did not overturn and the passengers escaped injury. The smash occurred at 5:30 on Garrard boulevard. The street car was going west on Garrard boulevard and stopped at the railroad crossing to allow the switch engine, which was pulling several freight cars south, to pass. It is reported by the street car company that the foreman of the switch engine signalled the street car to go ahead, and, without warning, backed up into the street car when it was half way across the railroad track. The car was not badly damaged and was towed back to the car barns in a short time. E. Haines was the conductor of the street car, while T. DeLong was the motorman.

An effort was made last night to get in touch with the Santa Fe officials for the purpose of giving their theory of the accident.

ROOTERS SEE RICHMOND HI WIN TRIANGULAR MEET

The Richmond High school track team took first place in a triangular meet with Mission and Tamalpais High schools Wednesday afternoon in the Stadium in Golden Gate Park. The score was as follows: Richmond 60, Tamalpais 40, Misison 33. A large number of Richmond rooters accompanied the local team.

STEGE SILVER TEA HAS BEEN POSTPONED

The monthly silver tea of the ladies of the Stege Presbyterian church scheduled to be held this afternoon at 2 o'clock at the home of Mrs. E. B. Hulett, 424 South Thirty-fifth street, has been postponed till Friday afternoon, April 28, out of respect to Miss Lillian Carlson, whose death occurred yesterday.

Fred Bauman Of Richmond Is U.C. Track Hope

Local interest in the California-Stanford track meet to be held tomorrow afternoon on the California oval is greatly increased because of the presence on the Blue and Gold team of Fred Bauman, popular Richmond boy and a sophomore student at the State University. Fred is at present the favorite for first honors in the half-mile run, an event which is expected to turn the tide of victory to either California or Stanford.

Bauman is a graduate of the Richmond high school, where he had very little track experience. Turning out for the freshman track team last season he soon developed with rapid strides under the tutelage of Walter Christie, veteran California coach. Winning every race that he entered in that season, Fred wound up his freshman year by taking first place in the California-Stanford freshmen meet, and setting up a new freshman record of 2:01 1-5 for the event.

Fred competed in the state championship meet held last fall at the Sacramento Fair, and further added to his laurels by winning a pretty half-mile race from Elmer Boyden, the Vallejo flash, who is now competing for the Olympic Club of San Francisco.

Falling a victim to influenza this season, Fred was unable to show much during the early season meets, and has been brought along slowly by Christie in preparation for the big meet. Fred showed his real form last Saturday when he won the half mile from the Missouri runners in the inter-sectional meet at Berkeley.

Fred lives here with his parents, Mr. and Mrs. W. F. Bauman, 623 Twentieth street. When Bauman lines up for the half mile grind in the big meet tomorrow, there will be a legion of his Richmond friends pulling for him to breast the tape in front of the Cardinal runners.

MISS LILLIAN CARLSON DEAD

The death of Miss Lillian Carlson, aged 29, at the family home in Stege, ossured yesterday.

Miss Carlson was a prominent member of the Swedish Ladies' Society in Oakland, and has been a resident of Stege for many years.

She is the daughter of Mr. and Mrs. S. A. Carlson of Stege, her father being the superintendent of the Stauffer Chemical plant.

She is survived by two brothers, Carl T. and Oscar, and a sister, Mrs. Ethel Dawe, besides her parents.

The remains are at the Wilson & Kratzer undertaking parlors. The funeral arrangements will be announced later.

Charges Dismissed Against Mattley

The friends in this city of H. O. Mattley, local aviator, will be glad to learn that the charges which had been lodged against him at King City, touching the issuance of a post-dated check, have been dismissed.

Mattley did not go to Monterey county, the charges having been dismissed in fact prior to his arrest in Richmond by Constable A. A. Alstrom, but Alstrom had not been appraised of the dismissal when the arrest was made.

Santa Fe Man Claims Bride In Richmond

Miss Helen Grace Otis, daughter of Mr. and Mrs. Frank R. Otis of Oakland, became the bride of Charles MacIntosh of Clovis, N. M., last evening at the home of the groom's parents, Mr. and Mrs. J. T. MacIntosh 327 Ninth street. The ceremony was performed by Rev. R. L. Webb, of El Cerrito. The father of the bride gave her in marriage. She was very beautifully dressed in a canton crepe afternoon gown of brown, trimmed with heavy lace, and carried a corsage of lilies of the valley and white rosebuds.

Lillian MacIntosh was the maid of honor, and Emmett Hitchcock acted as best man. The wedding march was played by Miss Hilda Carlson. Following the ceremony a light wedding supper was served. The room in which the ceremony was held was attractively decorated with Easter lilies and tulips.

Immediately after the wedding supper the happy couple left on a honeymoon to New Mexico. They plan to make their future home in Clovis, N. M., where the groom is employed by the Santa Fe. Their families, relatives and intimate friends who attended the ceremony, bade them farewell with the customary shower of rice and old shoes.

JUNIOR ELKS ENJOY PROGRAM

The Junior Elks had a very good meeting at the Elk lodge rooms last night.

Kallman, Brink and Julio of the Junior Elks furnished some good music, a solo selection with interchangeable parts, given by Kallman and Brink being peculiarly pleasing.

The dancing of little Zoe Hollenbaugh, dainty and alluring danseuse, provoked sharp applause.

The boys decided to have an open meeting on the first Thursday night in May, which comes during the Boys' Week observance, and also will enter a float in the parade if plans carry.

Baseball practice will be had next Sunday from 9 to 12, and all players are urged to turn out. Boyd Hecker is named captain.

President Paul Heinson was in the chair last night, after an absence of several weeks.

The material natures of the Juniors was appealed to as usual last night by a substantial menu, prepared by Steward Max Shehan.

Another Ferry For San Francisco Sausalito Service

Official approval by the public utilities committee of the Board of Supervisors of a franchise for the Golden Gate Ferry Company to operate ferry boats from the foot of Hyde street to the Marin county shore will be presented at the meeting of the board next Monday at San Francisco.

The utilities committee had received objections to the ferry slip being located at the Hyde street site, but these objections were overcome when the company representative explained that the operations of the ferry system would not damage Aquatic Park or interfere with the swimming and boating clubs near the proposed site.

TRUSTEES OF EL CERRITO NAME PIERCE AND CARLSON

Pierce & Carlson, attorneys of this city, last night were elected city attorneys for the City of El Cerrito.

The nomination was made by Trustee Conlon and seconded by Trustee Connelly; Trustee Gray nominated I. M. Osphal, of El Cerrito. On the vote Trustees Conlon, Connolly, McDermott and Lee voted for Pierce & Carlson, Gray casting his vote for the El Cerrito lawyer.

A. H. McKinnon was reappointed city tax collector, and all other officers of the former administration were reappointed.

Committees were appointed as follows: Conlon, streets; Gray, health and safety; McDermott, lights and water; Connolly, fire and police protection; finance, McDermott, Conlon.

EXPANSION FOR EL CERRITO CITY

The people living in Kensington Park, up above El Cerrito, and beyond the cemetery, are willing to come into that city upon condition that the town undertakes and guarantees to maintain their parks and that no business houses be erected therein. It is estimated that this will cost El Cerrito $1000 annually. The assessed valuation is around $350,000, and the receipts from taxes around $3500, which will give a net gain to the city of $2500. City Engineer W. S. Farley reported to the trustees the conditions agreeable to the suburbans.

A social service bureau for the city will be given hearty endorsement by the trustees. George W. Adams was named to perfect plans for such an organization, and he named the following committee to meet at the city hall on April 28 for that purpose: Mrs. A. C. Renfree, Mrs. Wills, A.: H. McKinnon, Mrs. John Sandwick, Mrs. J. O. O'Connell and Mrs. Rube Curry.

The matter of paving Potrero avenue from San Pablo avenue to the city limits of El Cerrito was laid over.

The clerk was instructed to have the city attorney draft an amendment to the present ordinance governing the meeting nights so as to fix them for Wednesday instead of Thursday, to meet the conveniences of the trustees and the public.

Trustee Kirl Gray reported Stockton street, between Kearney and San Pablo as in bad condition. The matter was referred to Street Superintendent A. H. McKinnon.

A representative of the American LaFrance fire apparatus builders was present and offered to sell the city a Ford chassis, chemical and hose for $1405. The matter was referred to the police committee.

HOME OWNERS NEVER BOLSHEVISTS

The California Supreme Court has held valid the soldiers' home land and settlement acts passed by the last legislature, and a bond issue of ten millions will be voted by the people this fall to further help the project of providing homes on farms for soldiers. Ultimately the money will be paid back, so it is really a loan, but it will be a great help to many hundreds of soldiers, and incidentally make home owners out of those who have no homes. Any state that creates more home owners is doing a good act to all civilization, for the home owner is the good citizen, and seldom ever gets to be anything else.

A nation of home owners never will become Bolshevists or anything like that. The ranks of such organizations do not contain those who own land and have by their own exertions built up a home. James J. Hill said many years ago that "land without population is a wilderness, and population without land is a mob." Every encouragement should be given to those who aspire to own land and build up homes for themselves and posterity, for it is the land owner who becomes the stable citizen. The Bolshevist thrives in the density of crowded tenements in large cities, not in the suburban or rural homes occupied by their owners. Nowhere in America where immigrants have gone on the soil have the seeds of Socialism or anarchy sprouted. Our many millionaires who may fear for the stability of their fortunes under the present day upheaval of Socialistic theories might well divert a large percentage of their incomes to help in every way home building and land owning for the deserving and those ambitious for such safeguards of family life. Land ownership is the key to stable citizenship and at the same time the death knell of Bolshevism. The good example of California in this direction might be followed by every other state with much profit.

FLAPPERS TO BECOME WRECKS

There is no use arguing with a flapper about the foolishness of her ways because she has no brains toward which to direct an argument, but it does seem as though her parents ought to sit up and take notice when it is shown them that in ten years she is going to become a human wreck in appearance if she does not quit the use of cosmetics. Young women who habitually decorate their faces as though they were toy balloon exteriors, are generally immune to any suggestion that their practice is inartistic and in bad taste, or that they are making "holy shows" of themselves—one cannot "get under their hides" for the reason that the hides are smeared thick with enamel that is impervious. But now comes Dr. Love of Boston and undertakes to penetrate a lit- of the covering in an address on skin diseases, by showing that the flapper of today may have to adopt the Asiatic veil ten years hence if she does not want to be described as frightful, fat and forty. He says physicians are alarmed over what our young women are to look like in a few years hence if they do not quit cosmetics. This is a warning even a confirmed calsiminer ought to be able to understand, but it is doubtful if it will have any effect. Any woman who has not sense enough to refrain from plastering her countenance until she resembles a female circus clown has not sense enough to benefit by truth and good advice. The poor silly things do not know that real men do not want to marry painted babydolls, but want real, sure-enough women.

Rudolph Valentino Heads Bill At The Macdonald

Local movie fans are to see what has been considered as one of the season's sensational film productions, when "The Married Virgin" comes to the Macdonald Theater today and Saturday, with the regular Saturday matinee.

The story deals with a young woman who sacrifices all save her honor and good name to protect her father from the subtle machinations of her false step mother.

There is excitement galore, nights, escapes and it is said that the height of realism is reached when the automobile in which the scheming count and false wife are eloping, turns turtle and goes hurtling down a precipice several hundred feet high.

The Story is from the prolific pen of Hayden Talbot, the distinguished young author, who is also responsible for several of the biggest hits of the season.

The cast presenting "The Married Virgin is a notable one and includes such well known and popular players as Vera Sisson, Lillian Kirkham, Edward Jobson, while the part of the young count is played by Rodolfo di Valentino, who will be remembered for his excellent work in The Eyes of Youth in support of Clara Kimball Young.

Clyde Cooke is the comedy vehicle in "The Chauffeur," which with a Prizma fills out the bill.

Jerome Shaffer At Wesley Church Mon.

On Monday evening, April 24th, at the Wesley Methodist church, Mr. Jerome Shaffer will give his famous lecture, "Fun, Foolishness and Art," which he has delivered to large audiences throughout the United States. Mr. Shaffer is one of the best entertainers on the lecture platform today. With his former appearance in Richmond he made a great "hit," and no doubt he will score another "hit" Monday night. Admission is free, but a free-will offering will be taken up to defray the expenses.

RODEO

AFRICA WAS TOPIC OF MISSIONARY SOCIETY OF COMMUNITY CHURCH

The ladies of the missionary society of the Community church met and although many members were absent on business or sickness, a delightful meeting was held. The topic was on Africa, and a helpful and interesting time was had by all.

An entertaining letter from Gordon K. Chapman, former pastor of the Rodeo Community church was read. Chapman in a vivid and graphic way described the missionary work he is doing in Japan, where he went last year following his graduation from the San Anselmo Seminary.

Following the meeting, which was held at the home of Mrs. C. H. Pollock, refreshments were served.

Those present were Mrs. Marie Smith, Mrs. H. Olsen, Mrs. Brindle, Mrs. J. Slate, Mrs. P. Ackerman, Mrs. C. H. Pollock.

MRS. FRANK BAYER IS RECIPIENT OF MANY HONORS IN BAY CITY

Mrs. Frank Bayer, who is spending a week or so in the bay cities with her daughter, Mrs. Adeline Bennett, reports having "the time of her life," in a letter to her nephew, Tom Gonsalves.

She was given a delightful surprise at the home of an old school friend of her daughter's, Mrs. A. J. McNeill, on Saturday last, at Alameda.

Over twenty guests were present, some of them being from as far as Honolulu. The evening was pleasantly spent at cards, dancing and music.

Sunday Mrs. Bayer enjoyed a motor trip through Alameda, and the surrounding country, finishing the day at the Greek Theater in Berkeley, witnessing the Easter Services of the Knights Templar.

Mrs. Bayer expects to be home in a very few days.

Flight of Youth Checked By Woman

"I am glad you came in this morning, sister. My heart is brim full of sorrow and I must tell someone all my troubles. I wonder if you have noticed that James looks so much younger than me. Do you know I shrink from going out with him lately. He seems so pony and bouyant and I sort of feel old and out of date. I am afraid I have been staying home too closely and have sort of lost touch; while James is out among people and meeting folks all the time. I must do something or I will be an old woman with a young husband."

"Well, I'll tell you frankly that I think the trouble is largely due to your clothes. James is five years older than you and you must not let yourself get shabby and old looking. You must go out more and keep up to date, even if it is an awful strain on you. And, my dear, you do wear clothes that are hopeless. I'll tell you what. Lets get you a whole new outfit—street clothes, party dresses, afternoon dresses, furs, hats and the whole works and have you all dolled up to surprise James."

"But that would cost a lot of money."

"James can afford it and, besides, it is more than worth it. Anyway, I will take you to Cherry's, at 515 13th street, and they will be more than glad to sell you on credit. You can get an entire outfit there and pay down practically what you like and finish up by making monthly payments."

Cherry's store for men is at 523 13th street.—Advertisement.

Bomb Blows Up In Richmond Home

(Continued from Page One)

injury to his parents or to their property. It to him is unthinkable.

Is there any connection between the trial and acquittal of Henry Heuer for the slaying of Manuel Cabral and last night's occurrence?

Pierce & Carlson, by their extraordinary and daring tactics, generally are credited with having won a case which in its inception offered small encouragement to the legal profession.

Murphy Case Cited

Further, what connection, if any, is there between the mysterious disappearance of Lewis D. Murphy, who the police of San Francisco believe may have been spirited away by persons who mistook him for Henry Heuer, and the bomb explosion here last night?

Is Vengeance at Bottom?

Are persons who resented the acquittal of Henry Heuer using these dark and devious means to work vengeance?

Today's developments in the two mysteries will furnish plenty of food for speculation, and enable theorists to indulge their favorite hyotheses.

Chief Wood when interviewed by the Record-Herald last night declined to advance any theory touching the explosion.

"There was an explosion. Yes, We know that," said the police head.

VETERAN OF CIVIL WAR REVEALS HEALTH SECRET

Tells of Wonderful Remedy That Has Kept Him Fit for Thirty Years

The Civil War ended more than fifty years ago, and the veterans of that great conflict are rapidly passing. The soldiers of that period endured many hardships, were exposed to the elements and in many cases, were illy fed. These conditions led to chronic ailments of all kinds, such as rheumatism, lumbago, sciatica, constipation, heart trouble and diseases of the kidneys and liver.

One veteran, Mr. Abram Arnold, R.F.D. No. 2, Campbell, N. Y., now in his 77th year and hale and hearty, tells how he has kept himself in good health. He writes:

"I have made use of Dr. A. W. Chase's medicines for 25 or 30 years and during that time they have never failed to do all that is recommended of them. I am a veteran of the Civil War—almost 77 years old, and was through fifteen hard fought battles, but am still living with the help of Dr. A. W. Chase's Tonic Pills. I have a bad heart, and find these pills of wonderful benefit for this trouble. Anyone wishing further particulars may write me, and I will gladly reply, as I want people to know of this wonderful remedy."

You can buy Dr. A. W. Chase's remedies at all drug stores. To be sure of getting the genuine, see that portrait and signature of A. W. Chase, M. D., are on each box. This is a trade mark for your protection against imitations.—Advertisement.

KIDNEY AND BLADDER TROUBLE RELIEVED

I had Kidney and Bladder Trouble for years. I had to get up at night to urinate, and each time pained me awfully. I treated with various doctors and medicine and was in a very discouraging condition. A friend of mine, who was benefited for his weakness by taking the Herbs prepared by the Kong Wah Herb Specialists, urged me to try them. After taking them for two months, I was entirely well.

Stomach As Heavy As Lead

March 16, 1922.
I suffered from dysentery and difficult breathing, my bowels moving constantly with bloody discharges. I also had burning indigestion and my stomach felt as though there was a piece of lead in it.

Failing to get relief elsewhere, I took the herbs of the FONG WAN HERB CO. for two weeks. My former complaints have left me entirely and I am now enjoying good health.

Suffered Unnecessarily
Oakland, Feb. 3, 1922.
At intervals I suffered severe pleurisy pains which began in the right side of my chest and ran around under my arm into my shoulder blade. It was both painful and difficult to raise my arm. I had taken various sorts of treatment for the trouble, but had found no relief.

Now, after seven weeks of the FONG WAN HERBS, the pain in my chest is entirely gone and I feel quite well. I bought the herbs in packages and cooked them at home.

Indians, Soldiers Used In Film Shown At T. & D. Theater

With General Custer's famous last stand against the Sioux in the Battle of the Little Big Horn as the dramatic and spectacular climax, "Bob Hampton of Placer," said to be the greatest production yet made by Marshall Neilan, will be the piece de resistance on the screen at the Richmond T. & D. Theater today and tomorrow.

James Kirkwood has the title role. Featured players are Wesley Barry, Marjorie Daw, and Pat O'Malley. Others prominent in the cast are Noah Beery, Frank Leigh, Dwight Crittenden, Tom Gallery, Priscilla Bonner, Charles West, Bert Sprotte, Carrie Clark Ward, Vic Potel and Bud Post.

Marion Fairfax wrote the scenairo for "Bob Mampton of Placer," which is taken from the Randall Parrish story of the same name.

It is a story of love, intrigue and adventure, with one of the most thrilling and picturesque pages of American frontier history as a background.

Marshall Neilan took his entire company to Montana and to Arizona for the exteriors, and rare photography is said to have resulted. More than 2000 Indians and soldiers are used in this spectacular production, which is released by Associated First National Pictures, Inc.
